NOV. 24, 2191. NOV. 24, 1871. CAPTAIN JOHN MIEE, HIS PHIENDS.

Meek, on behalf of His Majesty and the deirs, auchored in the lower bay last night. Capt.

Carr. MEEK: A few of your many friends have assembled at this pleasant spot to-day for the purposs of honoring the Eightlieth anniversary of your tends that Tweed is taking all the preliminary steps birth, and expanishmential token of their regard, I beg leave to present to you, in the name of His Majesty the King, and the gentlemen present, this beautiful Silver Gobjet, congratulating you at the same time upon the attringuest, in full health ension of all your faculties, to this ripe old age. It is the carnest hope of all that you may long live to drink from this cup long life and prosperity to His Majesty and the Hawelian King

Capt. Meek replied as follows:

TOUR MAINSTE AND GENTLEMEN:

age, to which is the privilege of but very few men to ralized citizens of the United States.

their friendship, and received many acts of kindness

In conclusion, gentlemen, I hope you may all arrive at the same old age that I have, which you may do if you pursue the same regular habits. Wishing you all health and prosperity, and again thanking you, I have but little to and to what I have already said. This beautiful allver cup I shall preserve as a valuable memento in my family in remem able chiefly on account of the givers. To me it is an enexpected taken, and I excupat further express my gratitude. It is not a small thing, gentlemen, to have resided so long in this community and still preserve the uninterrupted respect of those whose good opinion I most desire-namely, that of my fellow-residents.

The Steamship Subsidy,

Mr. Epiron -I am unused to addressing the public in any manner, but the proposition, which see by your paper was entertained by the Ministers and by them placed before the Privy Council, to pay to Mr. Webb the sum of money placed The Christmas variation of the Government Eng- at the disposal of the Government by the last lish Day Schools in Honeladu will extend from the Legislature for the purpose of establishing a 22nd and, to the 5th proxime, commencing the first steam line between here. Australia and New Zenland, seems to me worthy of reflection. Perhaps I am wrong in addressing my communication to your paper when Ministers are supporting the to believe that they want the candid expression of the views of any one really solicitons to do It will be noticed by the advertisement good and not desires of finding fault; and I of the Tax Collector for this district in would myself, be very much pleased to see whethto-day's paper, that his books will be er the objections which have arisen in my mind closed on the 20th of this month. We against paying this money, may or may not be understand that the Tax-payers have been answered, or reasons given for the payment which will overcome my objectious to paying it. In the first place, the sum that it is proposed

to pay to Mr. Webb is a very large one for this people, and on referring to the item in the appropriation bill giving the authority for paying it, I raise such sums in future years by loans, inas-It has been claimed in former years much as this would be deliberately to run into improvements within our own boundaries. And laues, and the inconvenience resulting from her It will be remembered that the list of occasional disasters, would seem to point to the electors is to be made out this year from that service. The necessity of extending the the Tax Books. One of the qualifications wharves as they are at present being extended, is of electors required by the Statute, is the undoubted. The advisability of putting the polipayment of his "Taxes for the year lie offices in buildings belonging to the publicimmediately preceding an election, with not hired as they are at present-more safe and in the time prescribed by law," and the worthy of the public service, is apparrent to all. intered upon the list, but who had them. But can the same be said of the subsidies

It is true that we are interested in the travers-If every one counts upon the last week ing of the ocean by the means of steam, and no or last day, as many do, to make their one will more fally admit the importance of it payments, there can be no avoidance of a than the writer of this. But on the presumption crowd, and consequent irritation over being obliged to wait for time, or of two to be paid, once and forever, it is obvious that the essful calls to find the sumthus to be paid will not secure to us the stop-Collector at liberty to receive the money. ping of those ships unless our position in the The twenty or more days intervening ocean is of paramount consideration; and if our between to-day and that on which the position is of such consideration that it would

notice, will be open every day during 'nor this sum of money?'
Nor can it be said that this community's not doing what they can to fester the business. If they build wimres at large expense and give the Wir call attention to the letter of our use of them; fill up land at large expense and correspondent "Inquirer," in regard to the give the use of it for storage; build a costly hoproposed subsidy to the Webb line of tel without the hope of receiving anything like a the steamers, published in to-day's paper.

Although we do not agree with "Inquirer" in his arguments against paying the line small community will have done its share in pro-

public questions in the spirit in which our correspondent discusses this, is always of maintaining steam communication between the France is nature. Son Prancisco and here, should the Legislature of that country manifest a desire to continue the service to Australia and New Zealand by affording material aid, then it might appear ressonable On Monday, 28th ult., a number of that we should assist to the extent of our means.

Late Foreign News.

STATEN ISLAND, Nov. 12 - The Russian ellipper The goblet was presented to Capt. Abreek, Capt. Schmitz, thirty two days from Magentlemen present, by A. J. Cartwright, miral about twenty-seven days ago, and that their Esq., who made the following remarks: arrival may be expected at any moment. The Abreck was bourded by the United States cutter Northerman at 7 o'clock this morning.

New York, Nov. 12 .- Charles O'Councr said yes which men take when they sock to clude justice by flight to a foreign land. The police would not be very active in arresting him even now, if the Committee of Seventy could give the power, and they would not belp them by informing them of his movements. O'Connor believes that Tweed will certainly fly, but there are emmy impediments in his way. He did not think he would be the only prominent criminal that would quit the country, but wherever they go in Europe they will find that they can not remain with impunity, but would be fol-
